Ok from what I can gather the microwave in 10N and the dishwasher should be checked out. The microwave makes the plate inside seem like it will explode and I don't think the dishwasher closes all the way. Just let me know when u could possibly go in to check it out. Thanks, les

Hello Anthony and Andrew. We have some issues in apartments 10N and 11B.

10N:

Faucet in tub is still leaking, can someone please look in to this?

11B:

Bathroom sink is leaking, can someone please fix?

Also please check under the sink in the kitchen (leak)

Closet door is out of line, could you put back on the track for us?

11B is available to look at today and tomorrow. [REDACTED] will be there cleaning today at 3pm. If you could get there today it would be great.

10N we have a guest staying in for a few weeks so we will need to coordinate with her before entering.

Please get back to me as soon as you can!

Thanks, Lesley
