I just had all of our stuff picked up from the East Bay on Friday and will be moving into a rental in Irvine CA (Orange County) on Tuesday. I don't know what I've been doing all day except for dealing with these 2 moves since October. The days go by so fast! I'm anxious to get settled into this new place and get my life back. Ever since we left NY I feel like we haven't had a real home, we've been in transit the whole time. Is [REDACTED] still out here? Have you heard from [REDACTED]? Does [REDACTED] look pregnant? When are you coming out again?

<dd>Hello, I just wanted to let you know that as I was sitting in the hair salon (taking care of the grey) I was browsing through this month's issue of W Magazine and I saw your picture. I think it was a Gucci opening. Anyway, I thought you looked great and seeing your picture made me realize how much I miss you. Also, I have come to realize that if I'm not working for you (or JE, you two are almost one in the same) then I'm just not working! (At least for as long as I can help it) My best to you.
