I know her through a mutual friend and most recently poached her from Marilyn (don't get along with them, Rusana, Regina, etc.). Will be moving her to another agency. I'll let her know she can come after work, but I have a feeling tomorrow afternoon will work better.

I land from the airport at 9

Sorry for all the typos. Sent from my iPhone On Feb 13, 2012, at 11:23 AM, Ramsey Elkholy [REDACTED] wrote:

Hi Leslie, I'm in Thailand...and she leaves town tomorrow evening I think. I tried for tonight at 9:30pm as Jeffrey originally suggested, but she is working, she thinks until 10pm.

So tomorrow would be better, but I don't know when her flight is, so if sometime in the afternoon works let me know.

Thanks,
Ramsey

> Hello Ramsey. Hope you are well. Jeffrey is in town this week and would like to meet Irina Shayk. Might you and Irina be available at 5:30 tomorrow 14th? Or sometime during the day on Wed. 15th? Talk with Irina and let me know what works...you can give me some days/times as well...If the weekend is better, that is fine also....but let's do something on the calendar!
