You are avoiding the issue of the leeches friends. As far as I am concerned we still don't have a final agreement

Having these people's friends come after all this, brakes the first part of the agreement- no contact. I am not talking about you accidentally finding someone who knows these women, but them sending you friends after connections with these girls are supposed to be removed. It wasn't added as a new thing, merely an example of how I thought one might cleverly try to get around the agreement. I left out my part for you to add. I agree that you will not need to respond to any questions to get your peace and quiet. This doesn't mean I am not allowed to *ASK anything at all related in any way to any girl*. That's so vague it is impossible to do. I will do my best to only ask harmless questions.
I encourage you to bring everyone we know over next 2 months but as you tend to forget about people you see within hours I am concerned many might escape your memory before July. Before you left , on the street we agreed you would tell me when they come..

i did not think of shelly , she works for the decorator . i realize you included not sending friends. it is improper to add things , after an agreement is reached. the agreement cannot be changed without consent. an agreement must have obligations

of two parties. you left out yours. an agreement assumes the list is complete. if you like i will keep the list. for obvious reasons i have to be the only one.

This includes me no longer having any contact with them. After this date, They will not stay at 301 They will not travel with me or stay in any of my properties. They will be aware I do not wish to have any contact or association with them after this date. They will be gone. No word games, no tricks !

I will make known to [REDACTED] an accurate record of who these people were on july 21.. in return I will not need to respond to any questions , at all related in any way to any girl, other than who they are, before july 21. This means two months of peace and quiet
