thank you.. its time you start an education. 1. do not say FUCK to anyone except in bed.
especcailly not at the table. 2. you are 22, --only ask questions of men. they are not really
intersted in your opinions until you are 30. and then only marginally, 3. I am very respectful
that you have not been taught 21 century science. , so you can be forgiven in believeing the
world is flat. or the sun relvoves around the earth, or there are energy, fields. or you can get
sick from air conditioning , or magnets can tell , what type of yoga poses to do, or santa
clause exists. ,or if you think positive thoughts . positive things will happen, or things are
meant to be. fate destiny . angels. I realize you have the potential to understand,, you have
learned very old fashioned ideas that country people believe..its now time that you take your
life seriously. actress / model , is not freedom. you have time,, try them on for size. look
around, they are not free. winning the lottery is not a good strategy to bet on. start learning
a skill, if you need help i will be there
