hope it works out...

boris says he'll see you soon with george whitesides

he's also trying to figure out how to position things for a mtg with billg

the nathan factor is complicating things a little

jaron is in town and i might see him if there's time - his life gets stranger by the day

not sure if you've spoken with [REDACTED] but she recently had another surgery and seems to be recovering ok

i think that's it as far as updates

i've been thinking about ANTibiotics (ant antibiotics)
