I was joking, I thought you understood. Of course I am happy you got to travel and I can't believe how lucky I am when I see you look so nice. Bullshit simply means you beat the odds again and you are the only person I know who can do it this often. I am proud of you and impressed, not upset. And I am sorry if you find it discouraging. I won't do it again.

Email TO [REDACTED]

I don't want there to be any misunderstandings,,,My gifts, kindness and interest in your success do not mean I am in any way interested in an affair or a relationship with you. I only ask you to come visit because I need an extra assistant when my girlfriend is not here and you help out,,,I am in love with [REDACTED] and I want to be fair and not give you any wrong ideas. You should focus on your boyfriend.

I haven't gone to sleep yet.. I am not sure how to respond. I would never intentionally do anything to hurt you. I am disaapointed that when you see i look nice you say shit, when i get to come to new york m you say thats bullshit, when i appear happy on the phone you discourage it. I am not having an affair with [REDACTED] i have offered all opportunities for you to confirm.. I do not remember 301, but,, i can't say it didn't happen.

It's hurtful. I will have to look at this slobbering russian who thinks she is important to you, walking around 301 wearing your clothes and visiting you in florida while you and I are going through this...really?

She wants to wear YOUR sweaters and you don't see right through it?

.I guess you forgot you also told me she wouldn't stay at 301
