Subject: Big Day!

My Dear Jeffrey,

Each year, when the 20th of January flies to my calendar I think how big and powerful this day is! You were born!!! YOU've made something extraordinary from beginning till now...your mind, your intelligence, your talents, your personality...how many beautiful places you've created- Island, Zoro anch, Paris home ...and so many I still don't know, I just can imagine! many of people you've helped, discovered and encouraged... uncountable numbers of everything! For all of this I admire you! And I really feel special, because I was the lucky one to get to know you and till today I have a greatest gratitude for you! All these unforgettable travels, places I've been and warm connection with you for many years!!! Thank you!

There is only one thing I can give you by this big distance- I hope you will like it-

Strong hugs and kisses! Happy birthday!
