I have to hand it to ms [REDACTED]. I'm sure she deserv=s the pretty penny she has made for her effort . She has=certainly caught the imagination of a public hungry for salacious fiction.=nbsp; To suggest her story is anything other than that, a fiction , is ludicrous. Presidents at dinner on caribbean islands.&nb=p; (clinton was never ever there, easy to confirm). Sh=ring a bath with a Prince (bathtub too small even for one adult&nbs=;). sex slave being paid thousands of dollars. (while =at the exact same time, she was working as a hostess in a burger bar =. being lent out to a prime minister though this prime m=ninster, never out of sight of his massive security detail also never visi=ed the island, , sex on a small airplane with a famous lawyer while the other passengers must have been all looking out the=window during the event . I would have thought that her=fabrications were readilly apparent , but now , being asked to deny =hat the press has termed her " allegations " is frankly&nb=p; silly. ok, to play along I deny each and every allegation .&nb=p; The only person she didn't suggest she was forced to have sex wit= , was Bilbo Baggins. , maybe its in the sequel.
