I am writing to you as the coordinator of [REDACTED] in regard to the visit of the original production place. Since I see the exchange of the information as an important part for proceeding with this project, I think this is a great option for me to visit your company there as a representative of [REDACTED]. As for the paperwork, as an EU citizen I need only ESTA, which I possess at the moment. Although I have made it to travel to Miami, to my understanding ESTA is valid to any of the states of the USA. I will be very grateful to meet you in person and gain an opportunity to see how you perform your work on day to day basis.
