This is abou= you contribuitng , it is the same request . Once again you want to make i= about what you get. I am unable to communicate the idea of responsibility=to you.

So does this mean you have had [REDACTED] at t=e house since I left already?

You give THEM a sense of job well done... Lucky lucky girls. They do little=besides nodding their heads and spending time with you in beds, baths &= beyond and they get to feel good about themselves and think that you care= I know it's tiring to be charming and I guess you are then all praise=-out when it comes to me.

We both made mistakes but I am the only one in timeout here while you are h=ving fun with other people. I don't see a reason to make myself lonely=& miserable instead of making the best of this time and doing the same= Not that I have, want or could have feelings for anybody else but I'd=like to have fun too and save on electricity.

I have not heard from [REDACTED] either. I sent her an email to see how she was =oing but I haven't heard back..
