you should read your own e mails... // first the smirk comes from the fa=t that managin the staff schedules. is the most trivial of tasks, not a re=pensibility. if done correctly it takes no longer than 30 minutes a day.=A0 , It is not what I need or want. , it is not what i asked you to do,=but what you think you should do... i wasn't asking you if you thought=[REDACTED] made sense, I was merely telling you what i am doing. the recitati=n of what i had done , confirmed that the assoistance i had previously =sk you for, can be accomplished in three hours.) still no office chair , =ut i will go myself today).. IT is silly, you say get back to real life.--= you mean your life. I have kept my promise toyou. the atmo=phere in the house is unsustainable. Henry jarecki came with his entourage= the help i talk about is not scheduling igor, but being a friend and h=lping making things PLEASANT COMFORTABLE, EASY. in this regard I =eed say no more. I will take full, blame.however =-. I CAN"=T live with anyone in my house full time. it has little to do with you, =I sent you a famous essay on its difficulties, so that a dead person could=explain it.

I already told you what I thought would help but you dismissed it with a sm=rk. I asked you for more responsibility and being in charge of the staff s= I can devote real time to doing this (like flying) without feeling like I=am just wasting time running another random errand even [REDACTED] could have =one.

I tried to explain to you when you just ask me to run one errand I try t= get it over with as quickly as I can so I can go back to the real life as =pposed to having a real responsibility which is a Part of my daily life. I= an hour you forget I did it, ask me why I did nothing to help and we are =oth unhappy.

This is the same suggestion I have been making for a looong time now but yo= ignore it every time and end the argument with the same 'I don't =ctually need you to do anything as long as you are never in a bad mood'= That works until you forget about it, start comparing me to your employee=, call me selfish, then I get in a bad mood and the cycle starts again.. H=w about you actually let me do it this time. [REDACTED] is leaving so I have 3 =eeks to 'play.

I am already reducing my man-oh-foldover pressure and my flaps are coming u=.

I can't remember what else you were unhappy about, remind me.

That's very nice of [REDACTED] to bicycle to your house that early and make=you breakfast. I am sure it is very tasty.

Your last email makes no sense to me if it is not meant simply as complaini=g and giving me a list of your and your employees errands today compared t= my not being there. I must be reading it wrong, I don't know what you=are trying to say..

- [REDACTED] 'assisting [REDACTED]' doesn't make much sense next week sinc= I will already be there with [REDACTED] on saturday. I don't understand why yo= included that in the email.

-What do you mean you 'organized a proper facial' Are you having a =eal practitioner come to the house? I don't know what you are trying t= say.

-yes, [REDACTED] has been making her muffin batter ever since I met you.. what am=I supposed to say to that

-you moved the rose and put candles outside ...??? Ok.
