She is busy this weekend with a friend from Uzbekistan.

I only asked because [REDACTED] & [REDACTED] said you were getting rid of 'extra stuff' in the office. I am not in one of my moods but I don't want to get into an argument so if you are irritable maybe Janush is a better option=seeing how [REDACTED] the fish ended up..

instead of simply asking why,, you feel a need to challenge me.. the answer is that those things are important to me so I want them in my new office. where I will be spending my time,, I have begun to transition to the house. I have cleaned out all my drawers and am choosing what needs to stay and what I would prefer to go. so if anything you should feel complimented= - I want to be picked up at 10, if you are in another one of our moods have Janush do it

Should I be insulted by your sending all my gifts and pictures back to the house?
