The plan was to leave the dogs and go to NYC for a few days, fix my hair be=ore depo, come back to get the dogs and leave with you next tuesday to nyc= It gave the puppy more time before travel and I had the depo scheduled on=mon until it changed yesterday.

Yesterday you still said the dogs could stay here with sue while I am in ny=on this trip, get my things done, repack, and when we get back I would tak= them to the ranch and stay.

I am not able to switch everything around again, as I had to do last time, =n hour before the flight..

NYC commercial travel is and will be a mess for a while because of this wea=her and the closed runway at jfk so I can't travel from there with 2 d=gs to new mexico or get stuck in ny if I take them today..
