dite, pepto bismol , has saved millions of lives. saved lives. the si=e effect was staying alive.. Dite, I am willing to advise you, guide you ,=help you, if you want. IF it is more important for you to " be right&=uot; , then really learn something useful and new, I completely underst=nd, You are your own person with your own tightly held beliefs and you hav= done a remarkably good job of getting what you want .. I remain your f=iend jeffrey

you are too smart to believe that what is good for you , a twenty two ye=r old healthy girl , with wonderful genes. has any benefit for someone les= fortunate.. Dite, medicine and Health are serious fields , they do not an= cannot and should not be related to your personal beliefs. or your person=l health. I encourage you to learn real things. universtity classes. th=t offer recoginzed degrees. as opposed to magical, belief sgounded in noth=ng more than your own personal experience and folk law. Spending time in t=e lab is the result of a desire to work really hard to help people. Pol=o small pox,dysentery were not cured or helped by hundereds of people over=hundreds of years, these terrible disease were only cured by western me=icice in a laboratory, with real results that can be duplicated,

How many side effects has this pepto bismol... You heal one place in our=body,but destroy little by little others... At least than you r busy heali=g yourself all the time... And pharmacists make good money :)

All the p=ins is for the reason I think. you ate bad-next day you will have headache=you have cramps on your period-deal with it,bec mother nature is preparing=u for labor!!! And here everybody is crazy about all pills!

I am not a genius that spends hours in labatory but I listen to my body.
