She told me that as well on Sunday. I was urging her to stop and wait until I am back (today) to talk through it.

I urged her not to do it - I urged her NOT to quit not because I think that this is good for her long term.

She is quitting as some people wants to get rid of her -which for me is not a reason to quit. When this happens to me, I usually get rid of those people first and then think what should I do next ;)

She told me that she already scheduled a mtg with HR.

I am in Seattle for next 3 days and will insisit to meet her.<=p>

Will keep you posted.
