Jeffrey, I put some pictures for several days because the producing center of famous musician in Moscow is considering my candidacy for the participating as the main heroine at the video clip which is going to be filmed in New York on 28-29 of January. I thought it could make a big impact on getting the green card, because this musician is very popular, his YouTube views reach up to 5 million people. I remember that [REDACTED] told me that participating in video clip is very beneficial and he could add it into my file for the green card application. I wanted to tell you about it yesterday, to ask for advice about it but I did not reach you on skype.

According to my plan, I mentioned that I would love to enroll into acupuncture courses, but you said it is not the best idea, which now I partly understand that it would not work in New York City. Currently I am planning to continue taking my Chinese classes with online Columbia online lessons and take an exam on 24 of March + TOEFL exam on 3 of March. The skill I need to learn should be useful for you, but I do not know from which sphere. I am ready to learn any skill you consider would be beneficial for you.

[REDACTED]. I am very very upset. I saw your Instagram posts. Disregarding my directions you decided to do it again

I have not received the plan I asked for, and no communication with regard to it. I am going to delay your return to New York by at least 1 month. I am more sorry than you
