I did when you told me that I was wrong, thank you. He seems better now. It all started from the stupid freudian slip when we were in NY before I left - when instead of saying "you are not enstein my love" I said "you are not epstein my love"... He said it was like a slap on his face... Didn't want to talk to me... Now I turned everything into a sex talk suggesting going to sex shop when I m back and having fun. It worked.

Thank you!
