#2. Went to Dasha Zhukova and Roman Abramovich's....after. Took Aus=in and Gaby and could not get anymore people in. I am sorry. I don't =he hosts that well and I was lucky enough to get myself in.

#3. Th= Island is hot with every rich Jew that is not in Aspen...although the boa=s are starting to clear out....I have seen just about everyone. Missed De=zel Washington jet skiing in the harbor. There are many rich high profile=music/show biz African Americans in very visable residence...including Edd=e Murphy.

#4. I am here till Sunday.

#5. Darin...the creep that use to wor= for me sent out an email on my computers to all the studio people and my =lients announcing that after 5 years he is "spreeding his wings"=...ie going into business.

I got cc on this from friends.

I called the computer company who is =econstructing all his emails. I will send an email to all saying he has b=en replaced by and sensational capable experienced gal and we will be call=them after the holiday. We also sent letters to everyone going to Sundanc=..and [REDACTED] and I may have to go.

Bigger situation...I have to see if Bryan plans on "helping" =im. That alone is worth the price of a lawyer asap.

Someone at th= computer company must has tipped off Darin because he tried to call me an= sent an apologetic email which I will forward. Really think I need to ha=e a killer lawyer deal with him asap....all my clients are loyal. Sony Cl=ssics already called and asked it they should work with him and I said no =nd they said fine.

Other than the usual shit between my brother and Bryan/Darin...I have h=d a great time.

Are you coming here?
