Hi [REDACTED],

During the office visit, the IRS agent asked for a few additional information as follows:

1. A copy of your professional bio
2. A copy of any art fair brochure, exhibit, etc.
3. The auditor wants to interview you on the phone about the personal/business relationship with Leon lack.

The phone call will be a brief one (less than 5 mins), but the auditor wants to hear from you.
Can you please let me know when you're available next week? Please give me a few dates/times.

Thank you.

There are no items from the list left on the 19th street. My computers and writing desk and lamp all got moved to a new place. But you can still see 19th street place and show her where my office was and viewing room. Some art is still there.

Thank you,

Hello,

Last available day is the 15th of August but from today I am moving so this place will be empty.

1) when you enter turn right and room with the balcony door in the back has desk and office chair and my big computer. The bigger room is on the left once you enter.

2) inventory stored between apartment and the studio of artist. You will see some art hanging and some pieces on the floor packed.

3) Art Consultancy, Producing Art exhibitions, Curating Art Shows in the galleries- sometimes I buy and hold on to it for resale purposes, and sometimes it shipped directly. It depends on the deal.

thanks,
