I'm =ure you might think that photography is not a real job but it can turn int= one if I do it well. At the beginning I will earn no money with it since = have to learn and I will probably need to work in a shop or something to =arn some money. My question is how do I learn by assisting a photographer =f I work in a shop all day ?? How can I earn money to pay my rent and livi=g and in the same time learn a new skill in order to grow in that specific=field ? I'm not sure how I should manage this...

I=am trying to do things differently in order to grow, build my identity and=stand up on my own two feet as I said... You are the one person that has a=ways been there for me and the only one I could really rely on. I just did=t expect you would let me go like this after everything... I would li=e to do something for you to show you my gratitude. I know I've lost a=lot of time, patience of yours, credibility and made many mistakes by repe=ting the same wrong path over and over- I apologize for this. I will never=be thankful enough. Thanks to you I've learned so many things that wit=out your support I would have probably never known. You taught me so much =bout life and myself that I can only be thankful with you. I want to make =ou happy and I'm sorry I've disappointed you. It's by falling =hat one learns to walk and thanks to all of these mistakes that I have don= over and over I've finally cleared up my mind and understood what are=my real goals (for real)

These are my goals:

<=iv class="m_630129476617375893gmail_msg">1. Photography: Learning photog=aphy because it's my real passion (after Jeffrey) and I have an eye =or it. Starting by becoming a photographer's assistant in order to mas=er a camera, the light and learn all the basics.

2. Next: being represented by Next as an influence= not just because of my name but as a professional photographer and promot= my work or fashion brands.

3. Acting classes (if possible)

4. Train regularly and keep a healthy lifestyle

I will work hard in =rder to achieve these goals.
