Hej Jeffrey!

Are you still in Paris? Is Woody going to visit you there? If so maybe my ni=ce, our new best drama director in Sweden and actress [REDACTED] could come visit?

Here is charming young Hanna who har worked as p.a. but also studies at Stockholm School of Economics...If you still are looking for a person to tak= Saras place perhaps you should indicate requirements and profile so I can =help recruit her? In any event, ambassador Lisa is going to Paris in a week-=still think you two should spend some time....
Love BE=
