"What goes deepest to the heart, goes widest to the world!"

As we enter 2023, we reflect and rejoice in all the Lord has done. Above are just a few snapshots from the past year. Take a moment and look at the faces. They are not stock or staged expressions. You will see joy springing up from the heart. Joy in connecting with one another in Christ, joy in abiding with Christ, and joy in extending Christ through serving in Dallas and throughout the world. And though we don't have room to show every face and every emotion our church family has experienced this past year, our hope is these remind you of the beauty of the statement, "What goes deepest to the heart, goes widest to the world!" Together in 2023, let's "Seek first the Kingdom of God and His righteousness" and continue to bear the good fruit of life found in Christ.
