## Color Prediction – The Main Earning Feature

Color prediction is the core income method on Tiranga Game. Players predict which color—**Red, Green, or Violet**—will appear in the next round.

Smart players focus on:

- Studying previous game results
- Identifying repeating patterns
- Using small and controlled bets
- Avoiding emotional decisions

With discipline and consistency, color prediction becomes a **strategy-based earning method**, not just luck.

---

## Smart Daily Income Planning

To earn consistently, users should focus on planning rather than aggressive play.

### Smart Daily Strategy:

- Start with a small balance
- Set a fixed daily profit target
- Stop playing after reaching the target
- Avoid chasing losses
- Play selected rounds only

This approach helps protect funds and maintain steady earnings.

---

## Bonuses and Extra Income Opportunities

Tiranga Game also offers additional ways to increase earnings.

### Welcome Bonus

New users often receive a signup bonus that allows them to start earning with reduced risk.

### Referral Program

Users can invite friends and earn:

- Referral commissions
- Lifetime percentage income
- Extra bonus rewards

Referral income works as a passive earning source alongside gameplay.

---

## Mini-Games and Lottery Options

Apart from color prediction, Tiranga Game provides:

- Lottery games
- Number-based prediction games
- Spin-and-win rewards

These options help users diversify earnings and reduce dependency on one game.

---

## Fast Withdrawals and Secure Payments

One of the biggest strengths of Tiranga Game is its **fast and reliable withdrawal system**. Users can withdraw earnings through:

- UPI
- Bank transfer
- Digital payment methods

Most withdrawals are processed within minutes, increasing trust and convenience.

---

## Safety and Responsible Play

Tiranga Game uses secure systems and transparent result mechanisms. However, responsible play is essential.

### Safety Tips:

- Use only official Tiranga Game links
- Set daily spending limits
- Avoid fake websites or agents
- Never invest borrowed money
